▼ **BEST BUDGET CLIP-INS**

A-List Clip-In Hair Extensions Full Set, from £29.99

We love that with these top-value extensions you get volume and length in seconds and you can style them with hot hools too!

▲ **BEST CLIP-INS RANGE**

Beauty Works range, from £12.99

Not only do Beauty Works do normal clip-in lengths, they also have an astounding range of clip-in ponytails, fringes, plaits, buns and more!

▼ **BEST ALL-ROUND LONG-LASTING EXTENSIONS**

Balmain Système Volume, from £155

This excellent range of long-lasting extensions are five times faster to apply than traditional bonding processes – we loved their exceptional quality.

▲ **BEST LUXURY INSTANTS**

Flip-In Hair, from £159

We adore these gorgeous extension pieces! They don't damage the hair and take seconds to apply – amazing!

◀ **BEST WIG RANGE**

Hairraisers Chic Collection, from £79.99

We love that the styles in the range are both timeless and stylish and that they've dedicated years of research to creating the perfect product for their clients.

▼ **BEST INSTANT EXTENSIONS COLOUR RANGE**

The Halo, from £79

We could find no better range of extensions with a more accurate colour match for both pre-bonded or clip-in extensions – a great product all round.

“I can't believe how easy it is to put on!”
